Imported Shorthorns**

# CAMPBELL FARMS

ANNUAL SALE OF  
IMPORTED SHORTHORNS

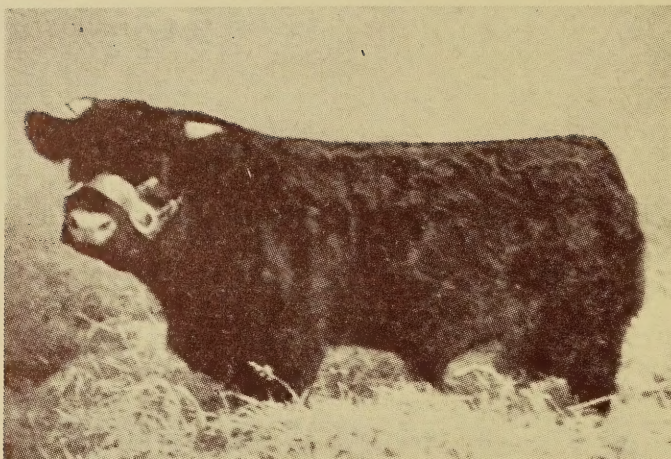

Saturday, September 4, 1954

AT THE FARM NEAR  
**Moffat, Ontario**

EIGHTY-NINE HEAD — NINE BULLS

TWENTY-ONE COWS WITH CALVES — THIRTY-EIGHT BRED HEIFERS

Gallant Marshall. The bull everyone is talking about in Scotland. He is the stock bull at Kinellar, where they have refused a private treaty offer of 10,000 gns. for him. He is a three quarter brother to Cruggleton Ulrich, lot 6.

The footnotes in this catalog are confined to the actual facts concerning ancestry. We have not attempted to comment or describe individual merit . . . this we prefer to leave to your good judgement. Because so many of the great sires appear over and over in the catalog, it would be repetitions if we dealt with each in each footnote.

We depart from the above policy to state simply that this is by far the greatest offering we have presented. When the selections were made in Scotland, it was with the thought of presenting a quality group that would never be forgotten.

This is the largest offering of imported Shorthorns to be presented to North American breeders, since the period immediately following the First World War.

The most satisfying aspect of the previous Campbell Farms sales has been the large percentage of cattle that have gone to breeders who have purchased from us before. The reason they returned was that their previous purchases were profitable. The 1954 sale offering will make us more friends than any heretofore.

We are looking forward to your visit. Plan to arrive the day before the sale for a leisurely inspection of the sale offering and the herd. A buffet will be served in the evening. You will have a good chance to visit with old friends and make new ones. You, your family, and your friends are cordially invited.

ASSISTING:

Derk Boorsma, David Boorsma, Theo. Boorsma, Duncan Campbell, Douglas Campbell

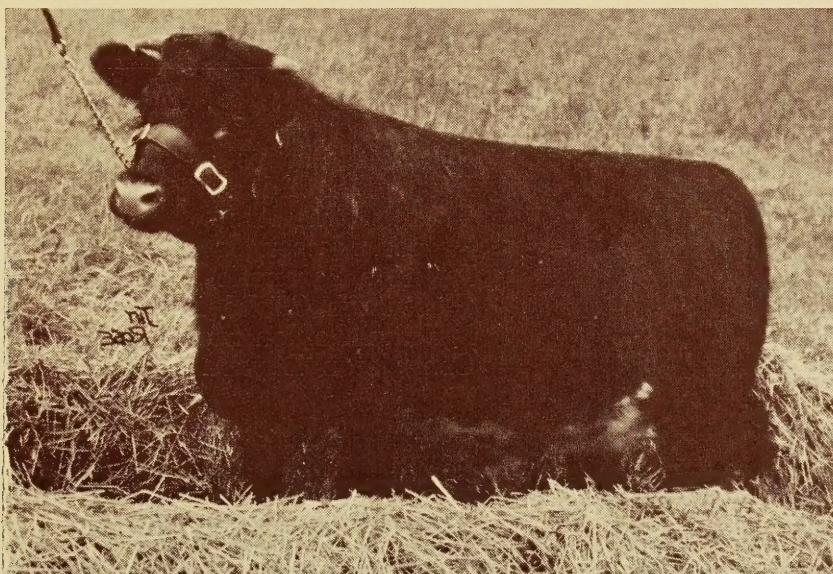

Camson Kora. This daughter of Calrossie Cock Robin was the reserve grand champion and junior champion of the 1953 Royal Winter Fair.

The two Calrossie Cock Robin heifers pictured on this page placed first and second in the junior heifer class at the 1953 Royal Winter Fair. Joined by a junior bull calf by Calrossie Cock Robin that stood 5th in a class of 17, they placed first in the group of three calves class, and in competition with cattle of all ages stood third in the get-of-sire. At the International these heifers placed second and seventh in a class of twenty junior heifer calves.

Because Campbell Farms have been so liberal in selling the service of Calrossie Cock Robin, and calves at foot by him in their annual September sale, they are left with very few to show. Each year they exhibited at just the two toughest shows in America — the Royal Winter Fair and the International. Even though they have only a few — and always calves — they have achieved a remarkable record. The Calrossie Cock Robins won junior championships at both the 1952 and 1953 Royal Winter Fairs.

Camson Goldie 3rd. Defeated only by her half sister Camson Kora at the 1953 Royal Winter Fair. Camson Goldie 3rd placed second in class at the 1953 International. This heifer sells. She will be the only daughter of Calrossie Cock Robin that we will offer this year.

Burnton Bankbook, 1954 Perth Supreme Champion. Purchased for \$21,900 by Lord Lovat for his Beaufort herd. Sire, Calrossie Crocus Count. (Four sons and one daughter of Calrossie Count sell). Dam, Burnton Princess Royal 6th. (Lot 39 is also out of Burnton Princess Royal 6th).

We call your attention to the fact that nine daughters of **Beaufort Bolido** are in this sale. His daughters have proved to be among the greatest cows of the breed. He is now dead. Never again will such an opportunity be presented. Five of them have calves at foot by **Calrossie Crocus Count**. The performance of his get at Perth this year marks him as Scotland's top sire.

We are proud of the consistent prices in the four previous sales at CAMPBELL FARMS. They are indicative of the overall quality. Buyers return to CAMPBELL FARMS because here they get MORE . . . in quality, potent bloodlines, long service dates to great sires, calves at foot . . . for their invested dollar.

Two famous nearby herds are Scotsdale Farms, Georgetown, and Briardale Farms, Mono Mills. Left, the head of Beaufort Benbow, stock bull at Briardale.

## **TORONTO-AREA**

### **A GREAT CONCENTRATION OF SUPERIOR SHORTHORNS**

Sunday, September 5, the day between our sale and the Canadian National Exhibition judging will be an excellent time to visit some of the many outstanding herds in the Toronto area. You can see more famous herds in a shorter time in the Toronto-area than anywhere else. If you have your own car, you can plan your own itinerary or we can help you. If you do not have an automobile, please drop us a line. We will be happy to have transportation available for you. As always, the welcome mat will be out in the Toronto-area Shorthorn herds.

## **Please Read This Important Message About Fees To Record In The American Herd Book**

The American Shorthorn Breeders' Association charges a special fee for transferring cattle imported from the British Isles into the American Herd Book. It is not feasible for a seller to pay these fees on an entire sale offering. Therefore, United States buyers are notified that the duty of paying this fee falls upon the individual purchaser. The fee applicable to these cattle is \$100 for each transferred into the American Herd Book.

There are a few exceptions. The fees applicable to all the service sires has been paid. An American buyer is permitted to transfer the imported-in-dam calf at foot for a fee of only ten dollars at the time the imported mother is transferred.

In the event a United States buyer purchases an imported cow, and her imported-in-dam calf is sold to another United States buyer, it shall be the duty under the rules of this sale for the purchaser of the cow to pay the fee on the imported mother, so that the purchaser of the calf will pay the lesser fee of \$10. In the event the mother is sold to a Canadian purchaser, this rule would not apply.

Some of the cattle in this sale are out of permanent members of the Campbell Farms herd. In these cases Campbell Farms will pay the imported transfer fee. We will announce at the sale which animals this rule applies to. A fee of ten dollars is the charge made by the American Shorthorn Breeders' Assn. for transfer from the Canadian Herd Book to the American Herd Book.

The fee on cattle imported from the British Isles for transfer into the American Herd Book is to be raised to \$200. This will apply to animals purchased in the British Isles after September 1, 1954. Everything in this sale was purchased in Scotland long before that date and the old \$100 fee will thus apply.

All cattle in this sale are eligible for registry in the American Shorthorn Breeders' Assn. herd book and we will deliver the transferred Canadian certificates to them.

## *This Sale Is Easy To Attend*

Campbell Farms is easy to reach. It is just an overnight trip by train each way for midwestern and eastern breeders. For example from Chicago take the Canadian Pacific (New York Central Station) leaving Chicago at 7:35 p.m. CST. This arrives in Moffat (change Guelph Junction) at 7:30 a.m. You can get a train back in the evening that will arrive in Chicago at 8:10 a.m. Schedule from eastern cities to Toronto is similar. We will be glad to meet you in Toronto if advance notice is given.

The main Toronto airport (Malton) is 35 miles from the farm and upon request we will meet you there. Toronto is a two hour flight from Chicago with several daily flights. Those wishing to hurry home after the C.N.E. judging could make the 2:55 p.m. flight arriving in Chicago at 4:25 p.m.

There is no more beautiful time of the year to drive. Should you care to do some sightseeing, remember that Niagara Falls is only 90 miles from the farm.

## *And We Help You Make It Easy To Get Your Cattle Home*

Of great concern to buyers at any sale is the cost of getting cattle home. This depends largely upon the attitude of the seller in keeping cattle until combination shipments can be made. Campbell Farms has the reputation of cooperating 100% in this matter. Cattle sold to go to Western Canada and the Maritimes can be held at the farm free of charge until the Royal Winter Fair when shipment can be arranged with fair exhibitors. Cattle will also be held free of charge for pool shipments from the annual October sales of Messrs. Russell, Beath, Beacon, and Murphy.

Scene in the herd of W. H. Merry. His new farm is located near us at Milton. Just a few of the other well known herds in the Guelph-Milton area are Reford Gardhouse, C. M. Blyth & Son, George Lasby, Campbell Lamont, and T. C. Amos.

This block of beef is Cromleybank Le-gionnaire. Purchased as a thin calf in our 1951 sale for \$1025 by Claymore Farms, Callender, Iowa. One of the breed's greatest bulls.

**PART OF THE AMAZING RECORD  
OF CAMPBELL SALE CATTLE IN  
THE HANDS OF THEIR BUYERS**

Each year in our sale catalog we take pride in pointing out a few of the examples of how well the cattle purchased from Campbell Farms are doing in the hands of their new owners. The list of achievements has grown far too long to even begin to tell the complete story. Here are just a few typical instances.

Hawthorne farms, Marshall, Virginia, purchased Augusta Beatrice by Cruggleton Braemar in our 1952 sale. Her heifer calf at foot, Camson Augusta Beatrice, was the grand champion female 1953 Maryland State Fair, reserve champion at the Eastern National and Atlantic Rural. Augusta Beatrice has another heifer coming along that looks like a champion. This was the calf by Calrossie Cock Robin she was carrying in dam at our sale.

Chapelton Burvie. This outstanding son of Cruggleton Balmoral was purchased at foot with his dam by W. H. Merry, Oakville, Ontario. Six months later Merry sold this young bull for \$2,000 to Klaymor Farms, Unionville, Ontario.

Bantaskin Symmetry 8th. The top selling cow of our 1952 sale. She was purchased by Colonel Torrance Beardmore, Mono Mills, Ontario. The Beardmore's sold the calf she was carrying by Calrossie Cock Robin in the 1953 International sale. This was Briardale Belle Augusta, the second top of the International sale, selling for \$1850 to R. E. Smith, Houston, Texas. Bantaskin Symmetry is the granddam of Camson Golden Star 2nd, selling in this sale.

Camson Better News. He and Camson Prince Bob were purchased from us by Femco Farms, Breckenridge, Minnesota, in 1951. They are the senior herd sires in the great Femco herd. These bulls played a big part in the recent successful Femco sale which averaged \$1035. See the Kirkton Golden Star bull whose dam by Calrossie Cock Robin is out of the mother of Camson Better News, selling in this sale.

Upsall Marigold 20th

In the 1952 Campbell Farms sale, Clifford Gaulin, Bury, Quebec, purchased Bapton Vanity 10th for \$1300. She had a red bull calf by Calrossie Cock Robin and was rebred to Calrossie Cock Robin. Mr. Gaulin writes, "We kept the calf at foot for a herd bull. He is one of the best individuals in the province. His first calves are here and are great! We really believe this Cock Robin bull is going to put our herd into the front ranks. The bull calf she was carrying by Calrossie Cock Robin we sold the other day to head the outstanding herd of Mrs. T. C. Stuart, Arundale, Quebec. Bapton Vanity 10th dropped another bull calf recently, sired by her Calrossie Cock Robin son . . . what a deep, thick, rugged, good-headed calf this is."

Loamert Bolido, grand champion bull of the 1952 Royal Winter Fair for J. A. Goetz, Mildmay, Ontario. This son of Beaufort Bolido was sold in dam by Campbell Farms.

In our 1951 sale, Mr. and Mrs. Charles Butland, Union Grove, Wisconsin, brought Cromleybank Princess Royal 11th with a two week old heifer calf at foot for \$1375. Nine months later in are Marellbar sale the Butlands sold the heifer calf to Edellyn Farms for \$3500. In our 1952 sale the Butlands bought Ballathie Dorothea for \$1800. She had a red bull calf by Kirkton Heir and was rebred to Calrossie Cock Robin. The calf, Ballathie Heir, is now their herd bull. The cow dropped a beautiful heifer calf by Calrossie Cock Robin that will be kept in the Butland herd.

In the 1951 Campbell Sale, W. A. Culbert & Sons, Dungannon, Ontario, purchased Upsall Marigold 20th by Cruggleton Oakleaf for the second top price of \$2450. She dropped a beautiful pair of twin heifer calves by Calrossie Cock Robin, Mable Emblem Marigold A and Maple Emblem Marigold B. These were sold in the Culbert-Gaunt-Keys sale this year for \$1100 and \$975 and were purchased by Campbell Farms.

S. K. Berry, Lashburn, Saskatchewan, sold six bulls in the Regina and Saskatoon bull sales this year. There included the champion at Regina (102 bulls competing) and the best pair of bulls at Sakatoon. The six bulls averaged \$829. They were sired by Calrossie Dazler, top bull of our 1951 sale, and Aldie Supreme, a bull imported by us for Mr. Berry.

Ballathie Heir

Scene at Campbell Farms

## GENERAL INFORMATION

**GUARANTEE:** All cattle will be sold under the standard guarantee. This guarantee is printed in full elsewhere in this catalog. A complete list of breeding dates will be supplied sale day.

**HEALTH:** All cattle in the sale will be tested for Bangs and T. B. within 30 days of the date of the sale. All necessary health and export papers will be provided. Many of the heifers were calfhood vaccinated for Bangs and in these instances official vaccination certificates will be provided.

**TERMS:** The terms of this sale are cash. Settlements must be made with the clerk immediately after the sale.

**AUCTIONEERS:** C. D. Swaffar, Tulsa, Oklahoma; H. W. Walker, Indianapolis, Indiana; Tom Hays, Oakville, Ontario; Jim McKinlay, Morpeth, Ontario.

**MAIL BIDS:** Those unable to be present but who desire to take advantage of the buying opportunities in this sale may contact one of the following men, either at the address listed or at Campbell farms:

H. R. White, Secretary, Canadian Shorthorn Association, Gummer Blvd., Guelph, Ontario.  
E. H. Stoltz, Eastern Representative, Canadian Shorthorn Association, Aurora, Ontario.  
Don Longley, The Shorthorn World, 16 S. Locust St., Aurora, Illinois, or any of the Auctioneers.

**SALE HEADQUARTERS:** Royal Hotel Guelph, Ontario. We will make reservations for you if notified in advance.

**LIABILITY:** Although every precaution will be exercised to protect the safety and comfort of the guests, neither Campbell Farms nor any of its representatives, auctioneers, clerks, or the sale manager will assume any liability for accidents.

**FARM PHONE:** Milton, Ontario 206 R1-2.

**SALE MANAGER:** Don Longley, 16 So. Locust St., Aurora, Illinois.

Daughters of Calrossie Cock Robin. These went back into the Campbell herd last year.

When Calrossie Cock Robin's first calves began to arrive we announced that we would not sell any of his daughters. Last year we made one exception. A nine month old daughter was sold and topped the sale. This year we will offer just one more.

On your visit to CAMPBELL FARMS, you will see displayed prominently the females by Calrossie Cock Robin. When you see the calves out of them sired by Kirkton Golden Star, you will understand why we will not compromise our policy of keeping Calrossie Cock Robin daughters.

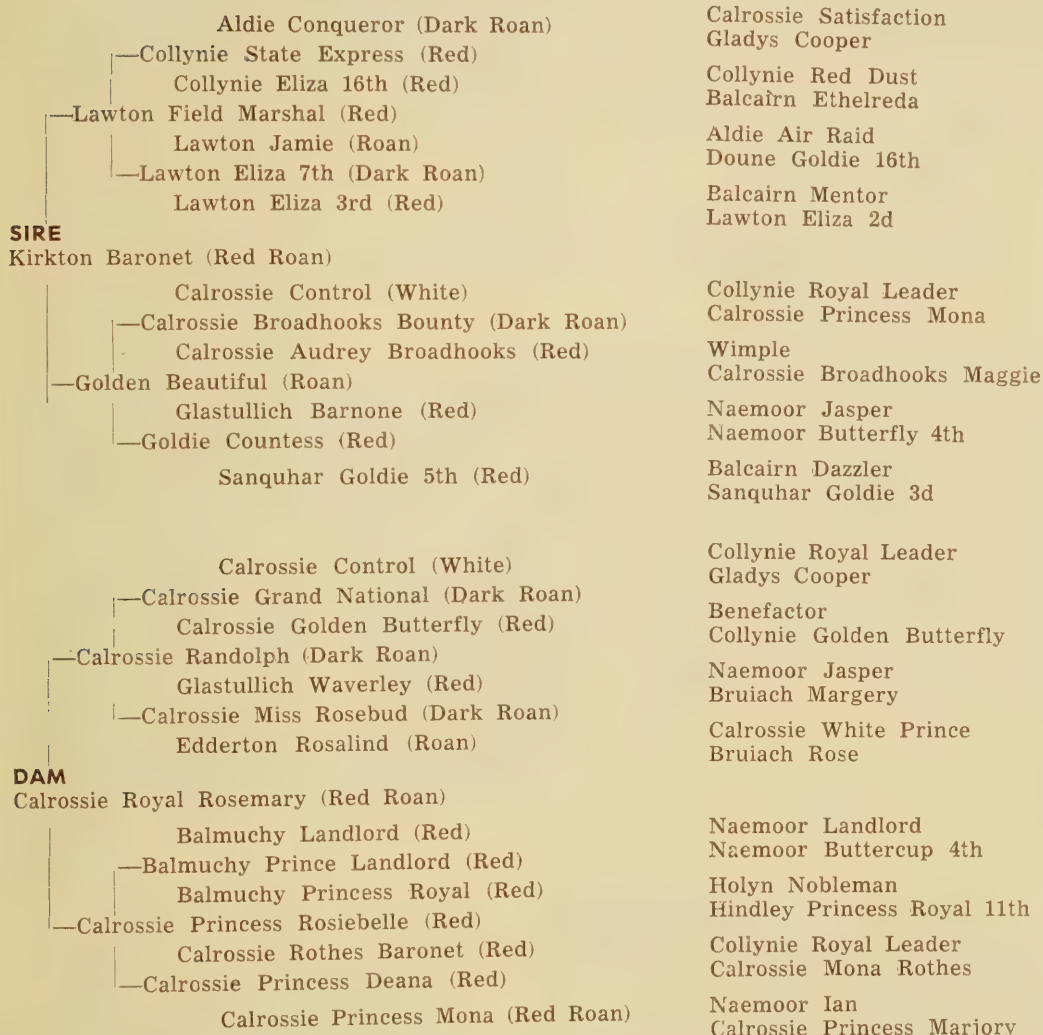

Calrossie Cock Robin

## CALROSSIE COCK ROBIN

Tattoo MGJ E38 Right Ear

White, born March 11th, 1947, bred by John & D. P. MacGillivray, Nigg, Ross-shire, Scotland; imported and owned by Grant Campbell, Moffat, Ontario.

Calrossie Cock Robin, withdrawn from the Perth sale as a stock bull at Calrossie, was imported in December 1949 for use at Campbell Farms. His sire, Kirkton Baronet, needs no introduction. The new dynasty he has built in Shorthorns the world over is known to all. The dam of Calrossie Cock Robin is described by Captain MacGillivray as the perfect type of female, typical of her sire, Calrossie Randolph. It is interesting to note that Captain MacGillivray particularly favors this family for a retention of herd bulls. As to his individuality, we will simply say that the picture appearing on page 14 is a good likeness. It is one that will catch the eye of every cattleman and we guarantee that when you see this bull, you will not be disappointed. The story of his breeding record to date is told throughout this catalog in better form than we could possibly condense into a footnote. Thirty-seven females sell bred to him.

**The First Two Calves By  
Kirkton Golden Star. Both  
Are Out of Calrossie Cock  
Robin Dams.**

**BOTH SELL IN THE SALE**

Camson Golden Star 2d.  
Picture taken at six months.  
Will be nine months by  
sale day.

Camson Golden Star 4th. Picture taken at five  
months. Will be eight months by sale day.

Recent visitors have been highly im-  
pressed by this pair of young bulls.  
We show them here in several poses  
and different ages.

Camson Golden Star 2d and Camson Golden  
Star 4th.

Wrapped up in these two young bulls  
is much of the future of Campbell Farms.  
They provide a summation of our breeding  
program. These are the first calves by our  
junior herd sire, Kirkton Golden Star.  
They are both out of dams by Calrossie  
Cock Robin. The granddams are two of the  
greatest cows we have imported. The  
granddam of Camson Cock Robin 2nd is  
Bantaskin Symmetry 8th, purchased by  
Colonel Beardmore, Mono Mills, Ontario,  
at the top of our 1952 sale for \$4600. The  
granddam of Camson Cock Robin 4th is  
Saltoun Rothes Queen 6th, the dam of  
Femco Farms, Breckenridge, Minnesota,  
great herd bull, Camson Better News.

Camson Golden Star 4th, shortly after  
arrival.

Pictured are a few sons and daughters of Calrossie Cock Robin. Throughout North America many others, a large number of which were purchased in dam or at foot with their dams in Campbell sales, are taking their places in the breed's finest herds.

Thirty-seven females will sell bred to him. This is the way you can obtain a son or daughter of Calrossie Cock Robin.

Camson Kora. Junior and reserve grand champion female 1953 Royal Winter Fair.

Left, Camson Cock Robin 9th. Purchased for \$2,000 in the 1952 Campbell Farms sale by Charles Harness and Sons, Corso, Missouri. Stood second in a class of 20 senior bull calves 1952 C. N. E.

Camson Cock Robin 2nd — Sold to Herman Cirksema, Parkersburg, Iowa, for \$2,000 in the 1951 International sale.

Camson Cinderalla. The only daughter we've sold. At nine months of age, she topped the 1953 Campbell Farms Sale at \$4,000, going to R. E. Smith, Houston, Texas.

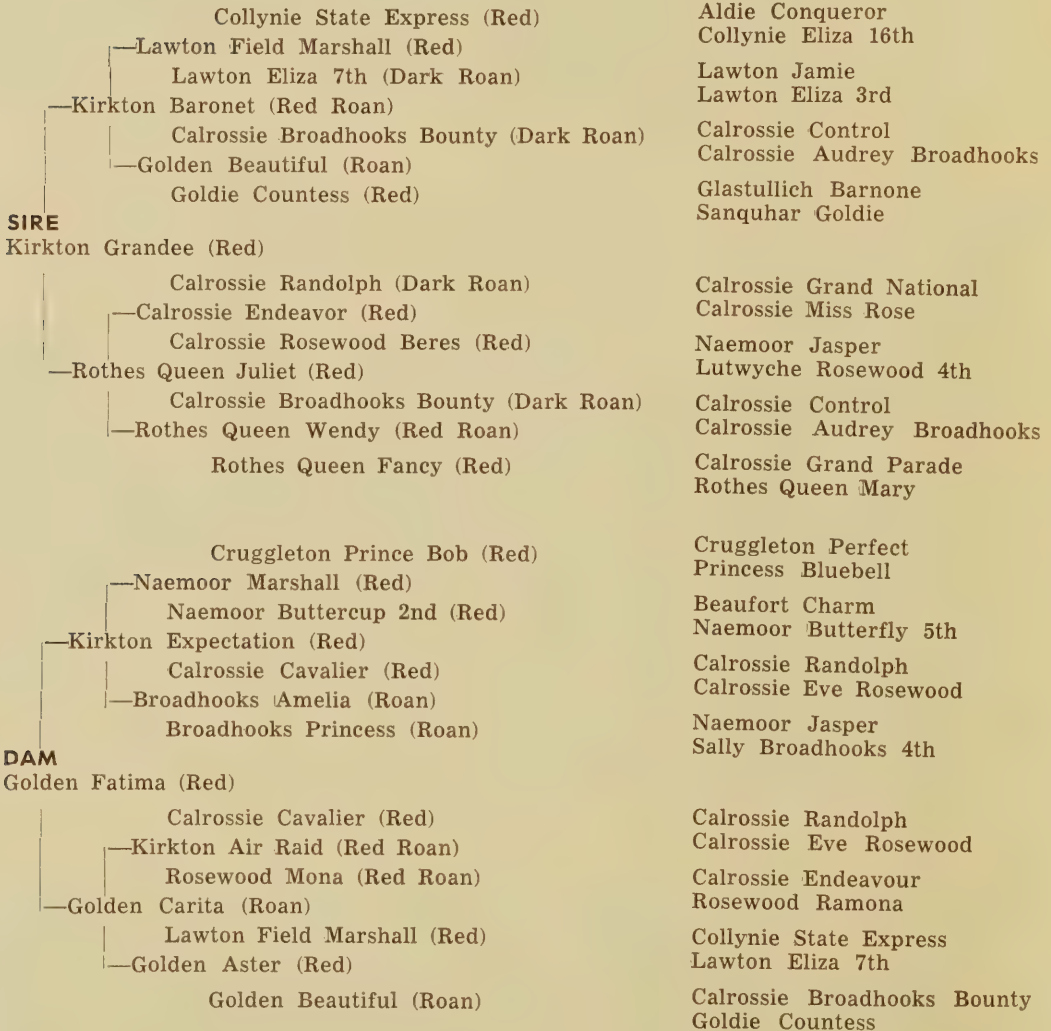

Camson Cock Robin 11th, sold privately to Kickapoo Farms, Kenosha, Wisconsin.

Camson Cock Robin 12th. Junior champion 1952 Royal Winter Fair. Bought in Sale of Stars by J. A. McKinley & Sons, Morpeth, Ontario, for \$1,525.

# KIRKTON GOLDEN STAR

Red, born October 14, 1951, bred by Miss Jean MacGillivray, Bunchrew, Inverness-shire, Scotland. Imported to Canada by Grant Campbell, Moffat, Ontario.

The bull we selected to mate to the daughters of Calrossie Cock Robin. On sale day you will see the first results of this cross. Kirkton Baronet, sire of Calrossie Cock Robin, is the grandsire of Kirkton Golden Star. Kirkton Grandee did a great job in the herd of Miss Jean MacGillivray. The dam, Golden Fatima, was one of the highest priced females in the Kirkton dispersion. Golden Aster is a full sister to Kirkton Baronet. Note also that Kirkton Grandee is from the highly prized K. P. MacGillivray Queen of Roths family. 18 females sell bred to Kirkton Golden Star. His first two sons sell, also.

Kirkton Golden Star

Naemoor Cinderella Plack. This great producing cow was purchased by Creekland Farms, Clinton, South Carolina, for \$3700 in the 1953 Campbell sale. Her heifer calf sold for \$4000 in that same sale to R. E. Smith, Houston, Texas.

Below, another daughter of Naemoor Cinderella Plack. She is Naemoor Cinderella 3d, grand champion female 1947 Royal Winter Fair. She is now owned by Kenneth Kettenhofen, Elkhorn, Wisconsin.

The purchase of cattle in Scotland is a venture the untrained will find most difficult. The cattle are presented in the finest fit at the most advantageous age, with a hair coat that only Scottish cold, damp winters can produce.

There are not many who can or should assume such buying risks. Importers must have a thorough knowledge of the dams of each. By taking advantage of generations of constructive breeding, they can sell cattle whose performance will make buyers want to return. No one is better equipped for this job than Grant Campbell.

Each Campbell sale has been greater than the last. This is the biggest and best yet. I have seen the cattle several times since the first of the year and have no hesitancy to urge friends to come any distance necessary.

Grant Campbell has sold scores of cattle in the last five years. There have been remarkably few breeding troubles. Whenever they have arisen, they were settled promptly to the complete satisfaction of the buyer.

The staff at Campbell Farms are top cattlemen. They will have the offering in an attractive flesh condition. However, don't expect to see "show-fat" animals. A large percentage are cows nursing calves or about ready to calve. It is not possible to take an animal that has gone through weeks of quarantines on both sides of the Atlantic, plus a rough boat ride, and present it in the same fashion as one fitted since birth.

Many great herds will be strengthened through this sale offering.

*Don Longley*

SALE MANAGER

Some of the bulls in the sale. Right to left, Cruggleton Ulrich is the bull on the end. Then, Cruggleton Jefferson, Camson Cock Robin 22nd, Burnton Fanfare's head is sticking through the group, then Cruggleton Omega, and Westdrums Brigadier. On the extreme left is an unidentified young bull not in the sale.

**Camson Cock Robin 22nd** — The outstanding son of Calrossie Cock Robin to date. Golden Carman is in the permanent breeding herd at Campbell Farms. She was one of the highest priced females in the Kirkton Dispersion. Shows tremendous depth and breed character. Naemoor Marshall, 4,700 gns., son of Cruggleton Prince Bob, played a big part in building the breeding herd at Kirkton. His most noted son is Kirkton Envoy sire of the 6,600 gns. bull, Lawton Nelson. Golden Aster is a full sister to Kirkton Baronet.

Bantaskin Symmetry 8th. The grandson of lot 2. She was the \$4,600 top selling female of our 1952 sale and sold to Colonel Torrance Beardmore, Mono Mills, Ontario. The Beardmore's sold the Calrossie Cock Robin heifer calf she was carrying for \$1,850 in the 1953 International sale.

Bantaskin Symmetry 4th  
Red, A. A. Baird

**Camson Golden Star 2nd** — Camson Symmetry is probably the favorite daughter of Calrossie Cock Robin in the Campbell Farms breeding herd. Bantaskin Symmetry 8th, a beautiful cow, sold in our 1952 sale to Col. Torrance Beardmore for \$4,600. She produced Briardale Belle Augusta by Calrossie Cock Robin, second top female 1953 International sale. Her first calf in the Yellow Briar herd is outstanding. Bapton Compensation, a top breeding son of the great Bapton Air Pilot. Five Compensation daughters have been imported by Campbell Farms and all have since become great breeding matrons. All other ancestry has been referred to elsewhere.

Left, Camson Golden Star 4th

Camson Better news, sold for \$10,000 to Femco Farms, Breckenridge, Minnesota where he is making a great record. His dam, Saltoun Rothes Queen 6th, is the granddam of Camson Golden Star 4th, lot 3.

**Lot 3**

**CAMSON GOLDEN STAR 4th -- 348155**

**Bull**

Red, born Jan. 13, 1954, bred by Grant Campbell, Moffat, Ontario.

**Camson Golden Star 4th** — Camson Rothes Queen is from the Kirkton Queen of Rothes family that we value very highly. Saltoun Rothes Queen 6th is in the permanent breeding herd at Campbell Farms. Her first calf, Camson Better News, sold to George Cox, Femco Farms, Breckenridge, Minnesota, for \$10,000. Those who attended the Femco sale saw him, his first calves, and rate him as one of the top bulls of the breed. All other ancestry referred to elsewhere.

Cruggleton Jefferson,  
lot 4.

Cruggleton Cargill, sire of  
lots 4 and 5.

**Lot 4                      CRUGGLETON JEFFERSON (imp) -- 346711                      Bull**

Red, born April 2, 1953, bred by Estate of A. J. Marshall, Stranraer, Scotland; imported to Canada by Grant Campbell, Moffat, Ontario.

Jealous Eva (200359)  
Red, A. J. Marshall

**Cruggleton Jefferson** — Jealous Ada is from one of the best breeding families at Cruggleton and she was one of the top-priced females in the Marshall dispersion. Cruggleton Braemar was a great sire of stock bulls. His sons include Cruggleton Pentland Firth used with great success at Beaufort; Cruggleton Godwin, stock bull at Cluny Castle; Cruggleton Bilsland, stock bull for Findlay MacGillivray at Aldie; Cruggleton Guthrie, stock bull at Edellyn. Jealous Enid is the dam of Cruggleton Johnson used so successfully at Kickapoo Farms, Kenosha, Wisconsin.

Cruggleton Omega

**Lot 5**

**CRUGGLETON OMEGA (imp) -- 346712**

**Bull**

Red, born April 9, 1953, bred by Estate of A. J. Marshall, Stranraer, Scotland; imported to Canada by Grant Campbell, Moffat, Ontario.

A. J. Marshall

**Cruggleton Omega** — Cruggleton Cargill sold in the Cruggleton dispersion to Hugh Black. He is highly regarded in Scotland and his first calves at Banchory show great promise. His dam Aralia Clara is from the grand breeding line that produced Cruggleton Captivator. Cruggleton Elvin was junior champion at Highland and first at the English Royal in 1949. At the Cruggleton dispersion in 1952, 23 females sired by him sold at an average of \$1,710. Augusta Anona is an ideal type of brood cow. Erimus Donald was used successfully at Cruggleton, sired Cruggleton Leishman, reserve champion at Perth in 1952, sold to Marellbar for 3,000 gns. Cruggleton Assheton is a most successful stock bull at Cruggleton. He sired Cruggleton Raeside, reserve champion at Perth, 1951, sold to Pittodrie for 4,600 gns.

**Cruggleton Ulrich** — Erimus Gallant, outstanding son of Kirkton Challenger, was purchased at Perth for 3,400 gns. for use in the Cruggleton herd. Since being sold in the Marshall dispersion breeders in Scotland have come to realize that he is a stock bull of great merit, and some fabulous offers have been refused by Mr. Welsh, his present owner. One of the three outstanding young bulls in Scotland is sired by Erimus Gallant and he is Galland Marshall owned by Sylvester Campbell & Sons of Kinellar. The writer knows that Mr. Campbell refused a 10,000 gns. offer for Gallant Marshall last February. Cruggleton Ulrich is a three-quarter brother to Gallant Marshall. Cruggleton Braemar — all the bulls mentioned elsewhere as being sired by Braemar were high priced and are proving most successful. Emma Undine is typical of all Braemar females, showing good type and character.

Left, Phopachy King Charles, sold for 2400 gns. to Marellbar Farms, Libertyville, Illinois, 1954 Perth sale. He is a 3/4 brother to Rosolio, lot 7.

Right, Rosolio, lot 7.

**Rosolio** — Is a full brother to Princess Rosemary, the great young heifer purchased in our sale last year by Joseph Zuro, Fontana, Wisconsin, for \$3,100. Rosolio is a three-quarter brother to Phopachy King Charles that John Blume purchased at Perth for 2,400 gns. He will be used at Marellbar as junior stock bull. Kirkton Eventide is a maternal brother to Kirkton Challenger. Princess Rosie, the dam, is by the same sire as Calrossie Cock Robin and is out of his granddam. She is also a maternal sister to Calrossie Triumph, sold in the Argentine for a large figure and since proved a great sire. Calrossie Princess Diana was the dam of Calrossie Jolly Tar. Calrossie Princess Mona, the dam of two Perth champions, Calrossie Control and Calrossie Prince Peter.

Erimus Emeritus. 7,000 gns. stock bull at Westdrums. He sired the reserve senior champion at Perth, 1953. He is the sire of lots 8, 23, 58 and 75. Lots 78 and 79 sell bred to him.

**Lot 8                      WESTDRUMS BRIGADIER (imp) -- 347124                      Bull**

**Westdrums Brigadier** — Cruggleton Account, supreme champion, Perth, 1949, and son of the world famous Cruggleton Perfect. Westdrums Red Beauty is of the prominate family at Westdrums that goes back to the Collynie Kilblean Beauty line. Erimus Emeritus, purchased by Westdrums for 6,000 gns., at the 1951 Perth sale. Among others of his first crop was Westdrums Viceroy, reserve senior champion at Perth, 1953. Emeritus also sired the best group of five, Perth, 1953, and the supreme champion Royal Highland and Royal. Kirkton Challenger, one of the greatest sires of this decade. He was the stock bull for Captin De Quincey.

Left, Burnton Fanfare, lot 9.

Right, Burnton Rowan, \$15,000  
Perth reserve supreme champion,  
1954. His granddam is a full sis-  
ter to the dam of Burnton Fan-  
fare, lot 9. Burnton Rowan is sir-  
ed by Calrossie Crocus Count,  
sire of lots 11, 13, 15, 17, and 19  
in this sale.

**Burnton Crocus Count 3rd (her bull calf at foot)** — Has all the necessary bulls in his pedigree to mark him as a breeding bull prospect.

Mr. Alexander Anderson, Burnton, Laurencekirk, Scotland, is shown with his junior and reserve supreme champion, Burnton Rowan, left, and his senior and supreme champion, Burnton Bankbook, right. Both bulls are sons of Calrossie Crocus Count. They sold at \$15,000 and \$21,000, respectively.

## Nine Daughters of **BEAUFORT BOLIDO**

Beaufort Bolido, Perth reserve champion, will go down in history as one of the greatest sires of the breed. The few sons and daughters that have come to this continent have excelled in the show ring and as breeding cattle. Beaufort Bolido is now dead. Never before have buyers had an opportunity to purchase so many of his daughters.

It is certain that it will never happen again.

## Five with Calrossie Crocus Count Calves at Foot

Calrossie Crocus Count is the bull purchased by the Anderson Bros. to follow Bapton Commando, Beaufort Bolido and Corrimony Golden Sovereign. His first calves were brought out this year and won both the supreme and reserve supreme championships at Perth. Four sons and one daughter — all out of Beaufort Bolido dams sell.

**Burnton Marksman (her bull calf at foot)** — Is by Burton Serenade, the good bull that was purchased by Major Allen in Scotland that is now in service at Hi-Ho Farms, Phoenix, Maryland.

Beaufort Bulldozer, Edellyn stock bull and typical son of Cruggleton Pentland Firth. Lot 22, Westdrums Jilt is a half sister.

## About The Calves At Foot

There are eleven outstanding imported-in-dam bull calves selling with their dams. Nine were calved between November 18, 1953, and March 2, 1954. They will make great herd bulls. We have no strong feeling as to whether these should be split away or sold with their dams and leave this decision to the sale manager and auctioneer on sale day. The same holds true for the ten heifer calves.

**Lot 22****WESTDRUMS JILT (imp) -- 434483****Female**

Red, born February 28, 1952, bred by Boots Pure Drug Co. Ltd., Brechin, Angus, Scotland;

**Westdrums Jilt** — Cruggleton Pentland Firth, the great son of Cruggleton Braemar — that was used with great success in the Beaufort herd. He is the sire of many famous bulls that have been exported to all parts of the world. In the United States his most noted son is Beaufort Bulldozer, stock bull at Edelyn Farms. In Canada another son, Beaufort Benbow is in service in the good herd owned by Col. and Mrs. Torrance Beardmore of Mono Mills, Ontario. Mrs. W. C. Pitfield of Saraguay, Quebec, is using another son in the good herd at Saraguay Farm. In the Far West, Beaufort Bog Oak is making a great record. Kair Joyful is from a family that has produced well for George Anderson, Kair. Rebred to Calrossie Cock Robin.

**Drynie Clipper Maid 9th** — From a very dependable line of females at Drynie. Bred to Kirkton Golden Star.

# Guarantee

1. Proper care should be given by purchaser to protect breeding qualities and health of animals. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the following guarantee.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported at the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial after a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

## EACH FEMALE IN THE SALE WILL BE EXAMINED FOR PREGNANCY

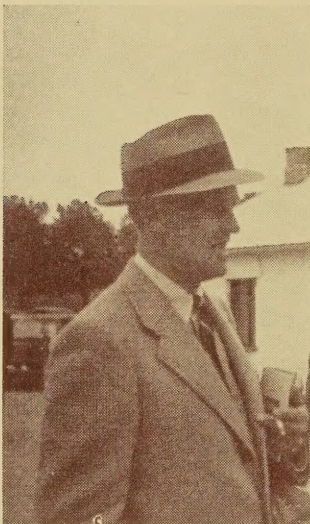

Campbell Farms are situated only a few miles from the Veterinary College at O.A.C. For the past several years we had their excellent guidance in health matters. The breeding operations at Campbell Farms have been under the close supervision of Dr. Maplesdon, a leading authority and Veterinary in charge of Farm Services at the Ontario Veterinary College. Before the females in this catalog are sold, Dr. Maplesdon will examine each to diagnose pregnancy.

A list of these pregnancy dates will be supplied on a separate sheet to be distributed sale day. All information on this list will take precedence over any information in the catalog. For this reason we have not listed any dates in this catalog.
